

K-LOVE Radio (103.7 FM, Garberville, CA) is the only local station that I listen to. If K-LOVE is displaced by an LPFM broadcaster that provides different programming, a valuable service to my community will be lost. K-LOVE is the only station that I can let my children listen to without fear of inappropriate subject matter being discussed or sung about. It is definitely in the public's best interest to allow K-LOVE to continue broadcasting. There are no other stations in my area that exhibit strong family values. Thank you for your consideration.
